

In partnership with All Tides, OAK is pleased to provide each swimmer with this year's team kit. Swimmers in the Performance and Development groups will receive a training suit, cap, and team t-shirt at no additional charge. Swimmers will have the option to choose from several different training suit styles, and all suits feature the OAK logo.

To place your order, please [click here](#) and complete the order form. Team kits are expected to be available for swimmers in September, and additional details will be shared once delivery dates are confirmed.

Please contact the OAK office (office@oakvilleaquatics.ca) if you have any questions.
